

BCAA/PAVE/1073

**DEVIATION**

**OVERSEAS TERRITORIES AVIATION REQUIREMENTS  
OTAR PART 21**

**National Civil Aviation Agency - Brazil (ANAC)**

The Director General of the Bermuda Civil Aviation Authority (BCAA), being designated by the Governor under Article 6 of the Air Navigation (Overseas Territories) Order 2013 (the Order), as amended, in exercise of the Governor's powers under Article 10 of the Order, hereby permits a deviation by the above named Agency who is subject to Overseas Territories Aviation Requirements Part 21 Certification of Aircraft.

A deviation is granted to OTAR Parts 21.25(a)(1) in that the Governor is satisfied that an alternate means of compliance and an equivalent level of safety is assured to permit Bermuda to issue a Type Acceptance Certificate for a Type Design that has been approved by the National Civil Aviation Agency - Brazil (ANAC).

This deviation is valid from 14<sup>th</sup> November 2016 until 14<sup>th</sup> November 2018 unless suspended, varied or revoked.
