## The BCAA announces temporary no-fly zone ahead of the Bermuda-Mexico Davis Cup World Group II tie

Hamilton, Bermuda, September 16<sup>th</sup>, 2026 – The Bermuda Civil Aviation Authority (BCAA) has announced a temporary no-fly zone over the W.E.R. Joell Tennis Stadium that will take effect during Bermuda's Davis Cup World Group II tie against Mexico. The restriction will cover the airspace above and around the event, as illustrated in the diagram below, on September 19<sup>th</sup> and 20<sup>th</sup>, 2026, between the hours of 9:00 a.m. and 9:00 p.m. An event-approved drone will operate in the no-fly zone before and after the tennis matches.

For the safety of event participants, spectators and the general public, please note that the flying of non-participating aircraft, unmanned aircraft (drones), microlights, gliders, airships, kites and balloons will be prohibited in the temporary no-fly zone.

The BCAA would also like to remind the public that, as usual, rules and regulations are in place for the use of drones and other small unmanned aircraft, including the five permanent no-fly zones. For further details about these policies, visit the BCAA's website at [www.bcaa.bm/drone-operations](http://www.bcaa.bm/drone-operations).
