ADDITIONAL INFORMATION:

When it is proposed to lease aircraft for charters originating in Bermuda, correct details (name, address, phone, fax, email) of the lessor, together with a copy of the lease agreement, is required. All Operations and Flight Manuals must be endorsed by the Bermuda Civil Aviation Authority to determine, for legal purposes, the 'operator' of the aircraft.

LOCAL INFORMATION:

48 hours' notice is required for the issue of a Flight Permit. Please refer to the Bermuda Aeronautical Publication (AIP) for information regarding the L F Wade International Airport and Aerodrome facilities.

DECLARATION:

I/We declare these particulars true and undertake to carry out any provisions or conditions as may be required. Any changes to the particulars as noted will be advised to the Bermuda Civil Aviation Authority and other relevant agencies without delay.

Name		Position	
Signature		Date	dd/mm/yyyy

Flight permit applications should be completed in full and submitted to the Operations Department of the Bermuda Civil Aviation Authority one week prior to operation. Any requests for Permits at short notice must be discussed with the Operations Officer and receive email approval/confirmation prior to operations.

Please ensure insurance coverage complies with requirements as per <http://www.bcaa.bm> – Operations.

Applications should be submitted via E-mail to: flightpermits@bcaa.bm
