

## **Electronic Flight Bag (E.F.B.) Application Guide**

The E.F.B. application is comprised of 2 checklists, [Form 9020](#) and [Form 9021](#). You must document normal/contingency procedures and conduct a risk analysis whereby you run a dual paper/paperless trial for one month. The results must be documented and forwarded to the BCAA for Approval. Be advised, modifications or alterations of equipment on the flight deck or similar, will require BCAA Airworthiness approval.

Pursuant to the above contact the Flight Operations Team. Any queries or concerns can be sent to any member of the Flight Operations team.

The Flight Operations team is:

<b>Peter Adhemar</b>	<a href="mailto:pnadhemar@bcaa.bm">pnadhemar@bcaa.bm</a>	<b>Director of Operations</b>
<b>Tariq Lynch-Wade</b>	<a href="mailto:talynchwade@bcaa.bm">talynchwade@bcaa.bm</a>	<b>Flight Operations Inspector</b>
