

Application for Bermuda Continued Airworthiness Management Approval

The application form AW-281 for approval in accordance with OTAR Part 39 should be submitted electronically using the link provided below. Once you have clicked on this link the form AW-281 can be found by clicking the 'Signatories' tab on the left. Once you have completed the application and attached any supporting documentation click on the 'submit' button at the top left of the application to submit electronically.

Once the application is submitted, a representative from the BCAA airworthiness section will contact the applicant by email 1-5 business days later to notify of the application status, and provide information on the approval process.

Required Attachments-

OTAR 39 Subpart E (Option 1) Applications:

- Continuing Airworthiness Management Exposition (CAME);
- Copy of EASA Part M Subpart G Approval Certificate; and
- Bermuda CAME supplement.

OTAR 39 Subpart E (Option 2) and Subpart F Applications:

- Maintenance Control Manual (MCM); and
- Form AW-282 (MCM Checklist).

Addresses made on any application must be the physical address and not a P.O. Box.

Links-

Applications can be made at <http://www.airs.bcaa.bm/>.

The Overseas Territories legislation including the Air Navigation (Overseas Territories) Order (AN(OT)O) and Overseas Territories Aviation Requirements (OTARs) can be found at <http://www.airsafety.aero/>.

If you have any questions about your application you can email the BCAA airworthiness section at airworthiness@bcaa.bm.

Please note: Always identify in correspondence your BCAA approval number (if known) and, when applicable, the aircraft registration and the operator's name.
