

**Performance Based Navigation Approval Guide (FANS 1/A, ADS-B)**

**Aircraft must be equipped with suitable systems able to support the desired navigation application. PBN applications are listed on form 9531. If requesting FANS 1/A (CPDLC + ADS-C) or ADS-B you must attach to your application the following documents:**

- Evidence of Crew Training
- MEL pages to reflect the addition of equipment
- Normal/Abnormal Procedures
- Evidence of Aircraft Compliance (AFM/STC)

**Airspace Approval applications received without the above mentioned documents will delay processing. Form 9531 can be found on [www.airs.gov.bm](http://www.airs.gov.bm)**
